Individual enterprise "Miweli Ülke" was established in 2016 by entrepreneur Gurbanmukhammedov Maksatmyrat. From the first days of its creation, our company is successfully engaged in providing markets of Turkmenistan with fruits and vegetables of the highest quality. For this, the enterprise carries out a chain of works, namely: during ripening of the crop, the company's employees are engaged in the purchase of fresh fruits and vegetables from local collective farmers, followed by an individual enterprise "Miweli Ülke" starts cleaning, sorting and packing fruits, thereby the work of collective farmers acquires an already competitive marketable condition. Further, by special vehicles, ready products are sent to our bazaars to satisfy the people. Part of the collected crops are carefully processed and sent to storage in refrigerated warehouses of the enterprise. By the way, the "Miweli Ülke" individual enterprise has the opportunity to offer fresh fruits and vegetables to the markets all year round.

EN

As a result of fruitful work with local collective farmers during for several years we have achieved great success in our field of activity and with we continue to expand every day. So, 2019th year Individual enterprise "Miweli Ulke" jointly with European companies started to the construction of a new complex of refrigerated warehouses, production storage capacity of fruits and vegetables equal to 10212 tons. Tasks such as contributing to the development of the agro-industrial sector countries, creating an abundance of fruits and vegetables in the markets, and also satisfy people's demand for environmentally friendly products is paramount for the individual enterprise "Miweli Ulke".
